Hola Bonny!

We are very pleased to announce that Bonny Ibarrola-Johansen has joined us to assist with developing Spanish and Portuguese-speaking markets. Bonny, the daughter of a renowned Mexican matador and New Zealand mother, brings a wealth of travel knowledge and cultural know-how. With 13 years at Thomas Cook and Landmark Travel behind her, Bonny is an invaluable addition to our South American push. We are delighted with having secured such a senior person who will be able to ensure we develop these emerging markets with intelligence and sensitivity.
